In re the Application of

Daigo AOKI et al.

Group Art Unit: 1712

Application No.: 10/651,062

Examiner: T. KUGEL

Filed: August 29, 2003

Docket No.: 123851

For: ELECTROLUMINESCENT DEVICE AND PROCESS FOR PRODUCING THE SAME

**PETITION TO RESET A PERIOD FOR REPLY  
DUE TO NON-RECEIPT OF ACTION**

**Attention: Group Director of Technology Center 1700**  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that the statutory period for replying to the February 2, 2006, Notice of Non-Compliant Amendment be reset, to start from July 31, 2006.

On July 27, 2006, Examiner Kugel telephoned and e-mailed Applicants' representative indicating that a Notice of Non-Compliant Amendment had been mailed on February 2, 2006, but returned to the Patent Office as undeliverable by the U.S. Postal Service. The original Notice of Non-Compliant Amendment was not received in the offices of the undersigned. A search of the file jacket and docket records indicates that the Notice of Non-Compliant Amendment was not received. A copy of the computerized docket record where the non-received Office Action would have been entered had it been received and docketed is attached.

Furthermore, the Patent Office Image File Wrapper indicates that the February 2, 2006, Notice of Non-Compliant Amendment was returned to the Patent Office as

undeliverable on February 6, 2006. The Patent Office did not attempt to resend the Office Action. A copy of the Image File Wrapper contents is attached hereto.

A new copy of the Notice of Non-Compliant Amendment was mailed to Applicants' representative on July 31, 2006, and was received in Applicants' representative's office on August 1, 2006. Accordingly, Applicants request that the period for response to the Notice of Non-Compliant Amendment should be reset to begin from July 31, 2006, the date that the Notice was remailed to Applicants.

Furthermore, in an effort to expedite prosecution, Applicants are concurrently herewith filing a response to the Notice of Non-Compliant Amendment. Entry and consideration of the Response should thus resolve all outstanding issues.

No fee is believed to be due for entry of this Petition or the attached Response, because the time for response to the Notice should be reset, and thus the attached Response should be considered timely filed. However, the Commissioner is hereby authorized to charge any additional fee (or credit any overpayment) associated with this communication to Deposit Account No. 15-0461.

In view of the foregoing, Applicants respectfully request that the statutory period for response to the non-received Notice of Non-Compliant Amendment be reset from the date on which the Office Action is re-mailed, i.e., July 31, 2006, to reinstate the time that was lost due to non-receipt of the February 2, 2006, mailing.

Respectfully submitted,
